Do You Know About AdaHome?

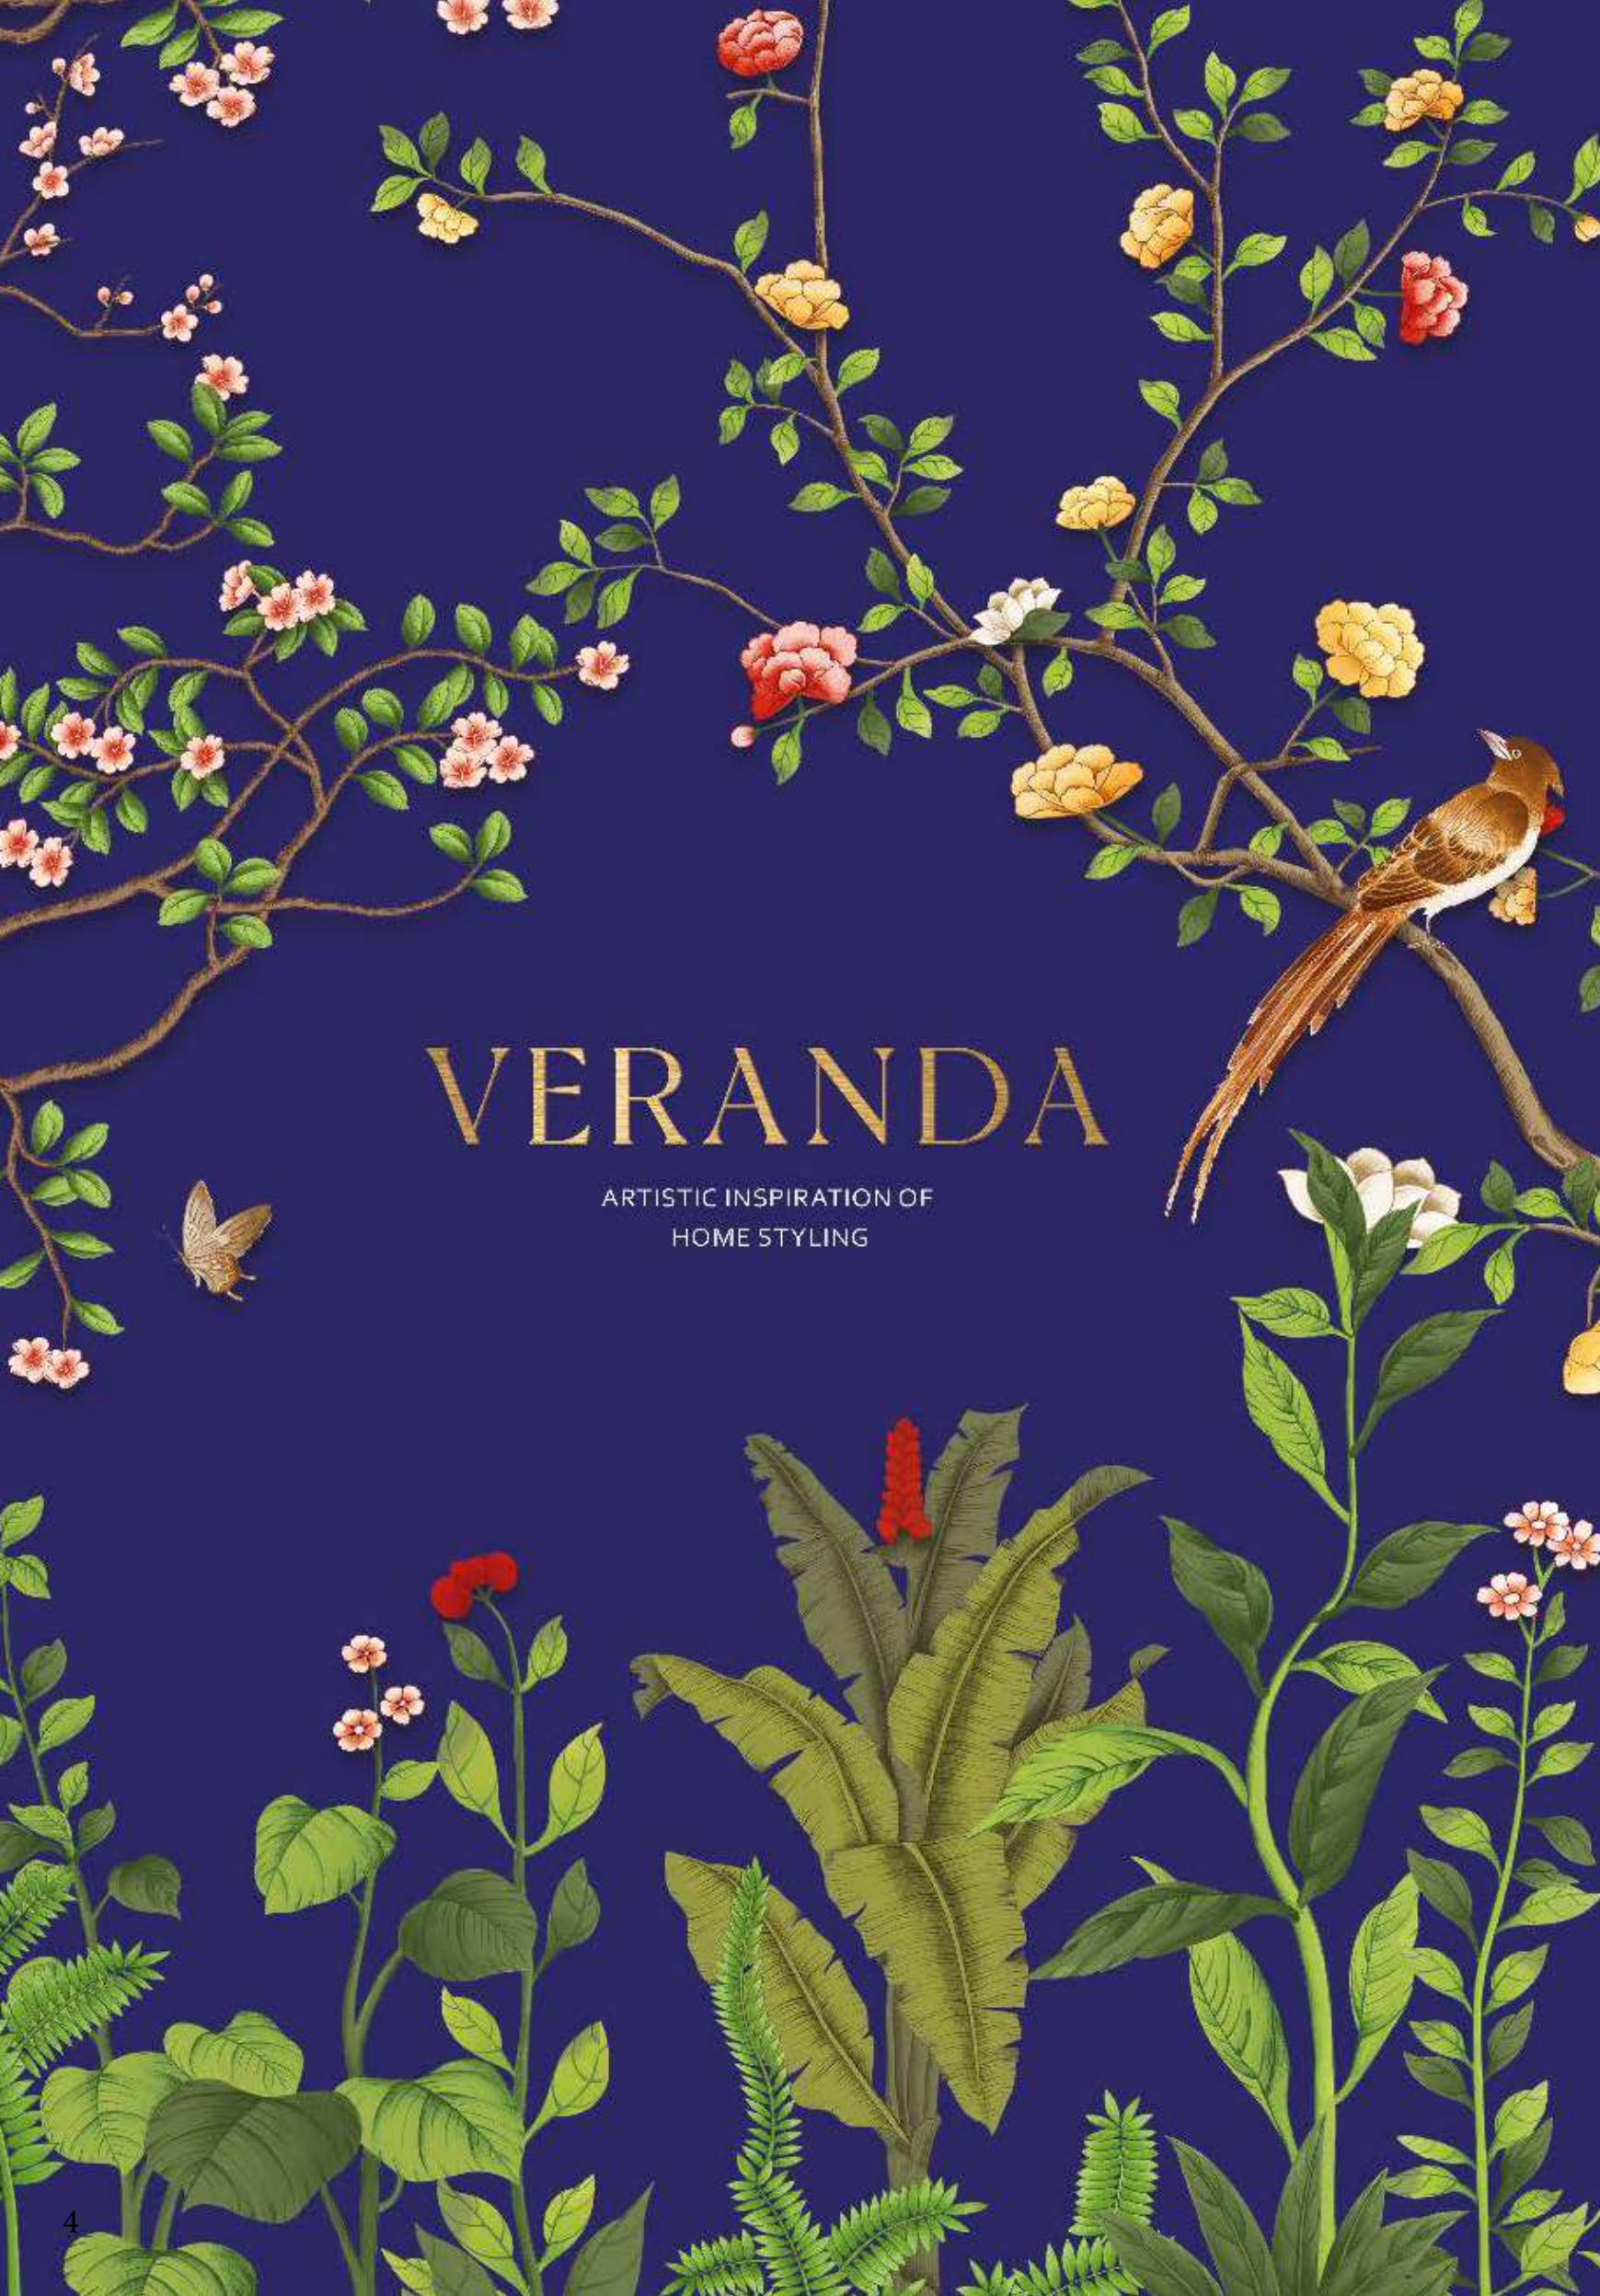

Adahome is the most developed company in terms of home textile and digital fabric printing. Besides It is structurally the biggest and most modern wallpaper factory in Turkey which has a very young and dynamic team of 130 people. Inside the facility, AdaHome has a Research & Development Center and Design Center that is approved by the Ministry of Industry and Technology.

CERTIFICATIONS

Adawall has social facilities and has a great number of distributors which sell its products all around Turkey and exports its products to more than 100 countries besides Adawall produces its own electricity. In addition to wallpapers, we also produce home decoration products such as curtains, upholstery fabric, cushion, pouf, tablecloth, tray, etc. under the brand of 'AdaHome'. Therefore, it would be more accurate and briefer to call AdaWall a "Design and Innovation Factory".

As AdaHome, we don't care what we do, we care how differently we do it. Good design for us is INNOVATIVE. Good design is PRACTICAL. Good design is AESTHETIC. Therefore, good design helps to sell the product. In addition, we see our brand as a supporter of "Made in Turkey"; especially with our product portfolio, which is produced with knowledge, skill, and love. Our company, which is on its way to becoming a world brand, is aware that it is branded not with physical and financial capital, but with intellectual capital and continues to produce "DIFFERENT" products and add value to our business.

MIMOZA COLLECTION

FABRIC SWATCH HANGERS

TR MIMOZA çiçeği gündüzleri açar, geceleri ise kapanır ve varoluşunun bu ritmik nüansı hiç şaşmaz! Tıpkı biyolojik bir saat gibi... “Mimoza” ismini hem bu koleksiyonda bulunan desenleri hem de kumaşlarımızın işlevselliğini yansıttığı için çok sevdik. Blackout kumaşlarımızda kullanılan ışığı karartma özelliğinden ve desenlerimizde yer alan çiçeklerden esinlenerek “Mimoza” ismini verdiğimiz bu koleksiyon, 29 adet desen ve 240’a yakın renk seçeneği ile sunduğumuz bir perde, döşemelik kumaş ve yastık koleksiyonu... Nostaljik figürlerin pastel tonlarla yakaladığı ahengin yanı sıra, tropikal esintili desenlerin birbirinden iddialı renkler içerisindeki havası ile karşınızdayız.

EN Mimosa flower blooms in the mornings and closes itself in the evenings and this rhythmic nuance belongs to its existence is infallible! Just like a biological clock...The collection that we named as “Mimoza” reflects the patterns and the function of fabrics that we used in the collection, that’s why we loved this name.

The feature of darkening the light used in blackout fabrics and the patterns consist of floral designs inspired us considering the meaning of “Mimoza”.The collection that includes 29 patterns and approximately 240 colour options is designed as a cushion, upholstery and curtain collection.We’re ready to make you meet “Mimoza” with its nostalgic figures that are combined with pastel tones and tropical breezed patterns in assertive colours!

RU Цветок мимозы распускается по утрам и закрывается вечером, и этот ритмический нюанс его существования удивительный! Прямо как биологические часы... Коллекция, которую мы назвали “Мимоза”, отражает узоры и назначение тканей, которые мы использовали в коллекции, вот почему нам так понравилось это название. Особенность затемнения света, используемая в светомаскировочных тканях, и фасоны, состоящие из цветочных узоров, вдохновили нас на рассмотрение значения слова “Мимоза”.

Коллекция, которая включает в себя 29 узоров и около 240 цветовых вариантов, разработана как коллекция наволочек и штор. Мы готовы познакомить вас с “Мимозой” с ее ностальгическими фигурами, которые сочетаются с пастельными тонами и тропическими вдохновляющими узорами в амбициозных тонах!

Be Our Franchise!

A franchise provides you with a proven business format to follow. The entity from which you get the franchise, known as the franchisor, provides you with operational procedures and marketing strategies that have been successful for other units. Franchisors provide the training you need to operate their business model. Franchises have a higher rate of success than start-up businesses. A franchise relationship could be described as business cooperation in which both companies work in close collaboration supporting each other but at the same time legally and financially independent.

Why You Should Be Our Franchise?

As AdaHome & AdaWall, we are one of the biggest companies in Turkey in terms of the number of designs, production capacity, quality and innovation in our fields. The elements factors that distinguish us from others; each product that we create has a unique design and great quality besides, we have a very wide product range that you can combine each product to create harmony in living spaces. You can create mesmerizing atmospheres and concept spaces by combining our wallpapers, curtains, upholstery, cushions, poufs, table clothes, folding chaise lounges...

Moreover, Ada takes place in the sector with all the international quality and management certifications. It has a unique design approach, advanced production technology, ready stock, fast shipments, world-class packaging shipments, and understanding to provide after-sales customer satisfaction in the real sense.

How Does The Franchise Process Work?

AdaWall & AdaHome franchising collaborations have standard decoration themes. We are styling each Ada shop with our concept themes. We have display stands and furniture to exhibit our products. We can briefly describe this process as follows; after we agree on the location and the size of the store, we adapt our display concepts to that store. Our team makes all the technical and architectural drawings. Afterward, our furnishing department will produce furniture and display units in our factory. Later on, we load all furniture and displays into the container or truck and ship it to its new home! Alongside the products, 2-3 of our teammates accompany you for the installation of all furniture and displays.

Franchising is a team effort, we know that for our brand to maintain a solid reputation, it's important to ensure that all of their franchise stores operate according to a certain standard. We have field support representatives that help franchisees obtain training beyond operational, technical, and financial aspects to run the business. This might include how to hire and manage employees as well as how to build community relationships. We are here to not only help you fix rookie mistakes but to avoid them altogether. After all, your success is our success.

Investment to Be Our Franchise

We are making all display units ourselves. This provides us, lower cost, standardization on quality, and fast finishing. We have big experience for decoration of a store. Not only giving a franchise store but also we have our own 5 stores in 3 different countries. We know, what you need, want, and think. To give an idea; 1 store's decoration is completed at a cost of 200-400 USD per square meter. For example; the total decoration cost of a 100 square meter store is approximately 20.000-40.000 USD.

Your store is ready, but what about the products? All of our products will be displayed on themed decors that fit the store. The number of products will vary depending on the square meter of the store and storage too. Accordingly your region needs and tastes, you can choose whatever you want from our many collections of AdaHome and AdaWall and offer them for sale in your store. To give an idea; A store's all products is completed at a cost of 200-600 USD per square meter. For example; the total products cost of a 100 square meter store is approximately 20.000-60.000 USD.

In summary; you can be a franchise store by investing between 40.000 and 100.000 USD in total, including store decor and products.

Be Our Pop-up Shop!

A pop-up shop is a temporary store that acts as an innovative, intimate brick-and-mortar store. By merging intimate brand shopping experiences with innovative digital features and touchpoints, the pop-up shop will help you boost brand awareness, increase engagement, and strengthen customer loyalty. Approached the right way, the pop-up is a real winning combination because this business model is financially less risky than starting a store. Pop-up shops allow you to meet your current customers where they live and put your brand in front of new shoppers. It's also a direct way to encourage sales without pouring more money into online customer acquisition. A pop-up can look like a regular store, but many brands use them to create a unique, engaging physical shopping experience.

Why You Should Be an Adahome Pop-up shop?
